PETITION TO INTERVENE

---

AT&T Communications of the South Central States, LLC ("AT&T") petitions the Tennessee Regulatory Authority (the "Authority") to intervene in the above-captioned proceeding.

This matter is before the agency upon the filing of a Petition for Exemption of certain services filed by BellSouth Telecommunications Inc. ("BellSouth") and Citizens Communications, Inc. ("Citizens"). The petition requests the TRA to exempt certain services from regulatory requirements pursuant to T.C.A. § 65-5-208. Specifically, the Petitioners requested exemption from regulation of IntraLata toll service and Primary Rate ISDN service.

As a competing local exchange carrier in Tennessee, AT&T's legal rights, duties, privileges, immunities, or other legal interests or responsibilities may be affected or determined by the outcome of this proceeding.

Granting this petition will not impair the orderly and prompt conduct of these proceedings.

AT&T therefore requests that this Petition to Intervene be granted.

Respectfully submitted this 30th day of June, 2003.
